July 18, 2013

Seasonal Losses in Local and State Public Education; Unemployment Rate inched up to 8.0%

After four months below 8.0%, the seasonally adjusted unemployment rate in Arizona increased two-tenths of a percentage point from 7.8% in May to 8.0% in June. The U.S. seasonally adjusted unemployment rate remained unchanged at 7.6%. A year ago, the Arizona seasonally adjusted rate was 8.4%, and the U.S. rate was 8.2% (see **Figure 1**).

Arizona reported a net loss of 43,500 Nonfarm jobs (-1.7%) in June (see **Figure 2**). This loss was in line with the ten-year average ('03-'12) loss of 41,700 jobs. The majority of losses were from Government which shed 42,500 jobs. These were seasonal losses which typically occur this time of year in State (-11,100 jobs) and Local (-34,800 jobs) Public Education. The Private Sector also recorded a net loss of 1,000 jobs, less than the ten-year-average ('03-'12) loss of 4,000 jobs.

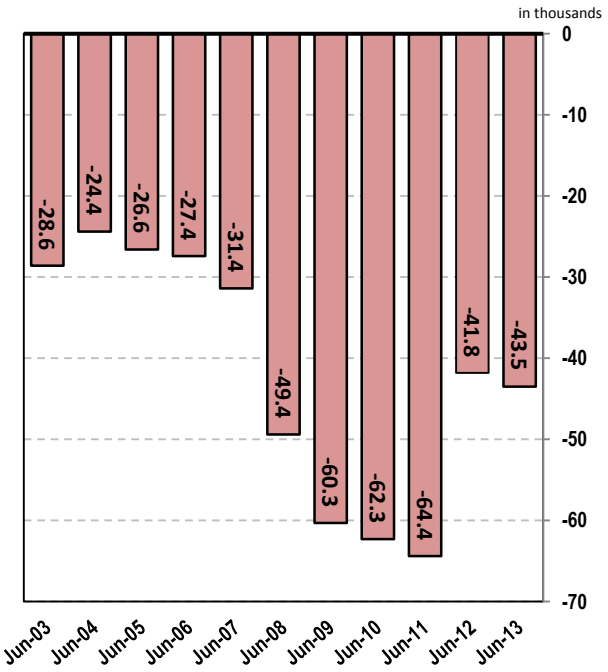
Figure 2

Arizona Total Nonfarm Employment Over-the-Month Job Gain/Loss

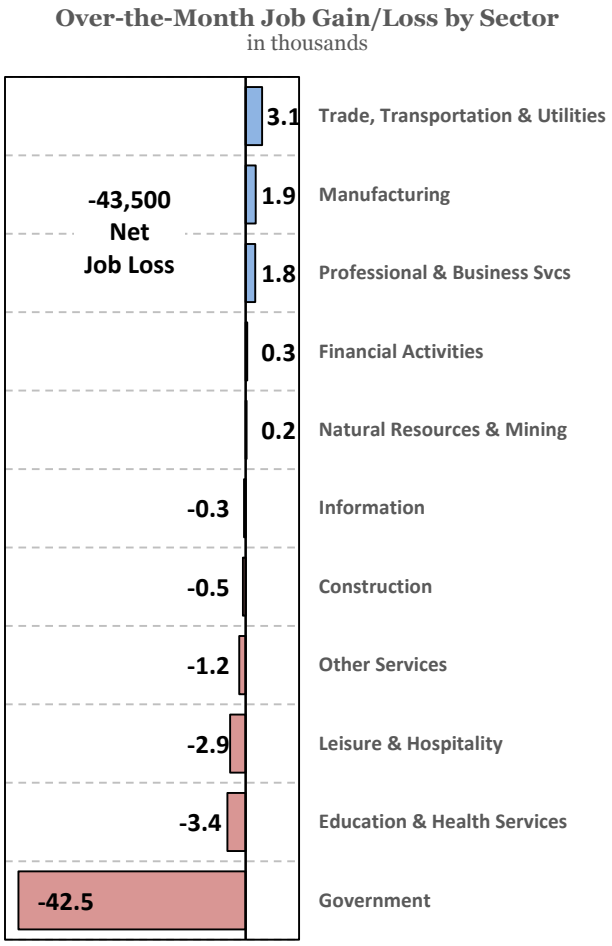


Over the Month by Industry Sector

Five of the eleven major sectors added jobs and six reported jobs losses (see **Figure 3**). The sectors that gained jobs include Trade, Transportation, and Utilities (3,100 jobs); Manufacturing (1,900 jobs); Professional and Business Services (1,800 jobs) ; Financial Activities (300 jobs); and Natural Resources and Mining (200 jobs). The remaining sectors lost jobs. Historically, losses have been observed in Government, Leisure and Hospitality, and Education and Health Services sectors in June.

Trade, Transportation, and Utilities (TTU) reported the largest gain of 3,100 jobs (0.6%). This was the first June gain since 2004 and larger than the ten-year-average ('03-'12) loss of 900 jobs. The main driver within TTU was Wholesale Trade, which added 2,800 jobs. This was the largest over-the-month gain on record ('90-'13) for Wholesale Trade compared to it being flat over the ten years ('03-'12).

Retail Trade reported the first June job gain (300 jobs) since 2004, well above the ten-year-average loss of 1,000 jobs. All of the gains in Retail Trade were from Motor Vehicles and Parts, which added 700 jobs. All other subsectors in Retail Trade posted losses or experienced no over-the-month change. Transportation, Warehousing, and Utilities was flat over the month.



Manufacturing added 1,900 jobs (1.2%), the largest over-the-month gain since February 2007. Gains in June are typical, although this gain was larger than the ten-year-average ('03-'12) gain of 500 jobs. Durable Goods added 1,700 jobs, most of which came from unreported sectors (1,300 jobs), while Nondurable Goods added 200 jobs.

Professional and Business Services gained 1,800 jobs (0.5%). While this gain is larger than the ten-year-average gain of 800 jobs, it is still lower than the pre-recessionary ('98-'07) gains of 2,700 jobs. Professional, Scientific and Technical Services gained 700 jobs, while Management of Companies and Enterprises was flat. Gains in Administrative and Support and Waste (1,100 jobs) were driven by atypical gains in Services to Buildings and Dwellings (1,500 jobs). The gains in Services to Buildings and Dwellings are five times the ten-year-average gain of 300 jobs and ties for the highest recorded over-the-month gain (April '13). Additional gains from Business Support Services (200 jobs) and unreported sectors (500 jobs) were offset by losses in Employment Services, which shed 1,100 jobs. Losses in Employment Services are somewhat unusual for June, which over the last ten years ('03-'12) averaged no change.

Financial Activities added 300 jobs (0.2%). Gains from Real Estate and Rental and Leasing (700 jobs) were offset by losses in Finance and Insurance (-400 jobs). All sectors within Finance and Insurance lost jobs.

Natural Resources and Mining gained 200 jobs (1.6%).

Government shed 42,500 jobs (-10.2%), slightly more than the ten-year-average ('03-'12) loss of 37,600 jobs. Local Government had the largest loss, shedding 31,600 jobs. Local Education lost 34,800 jobs with non-education-related subsectors gaining 3,200 jobs. State Government lost 11,100 jobs, all from State Education (-11,100 jobs). Federal Government added 200 jobs. Large losses in State and Local Education are expected this time of year, as schools decrease staffing levels for summer.

Educational and Health Services lost 3,400 jobs (-0.9%). The majority of losses were from Educational Services, which lost 4,300 jobs. While losses in June are typical, this was the second highest loss ever recorded ('90-'13). Health Care gained 1,400 jobs, from Ambulatory Health Care Services

(1,000) and Nursing and Residential Care Facilities (400 jobs). Hospitals were flat over the month. Social Assistance lost 500 jobs, typical for June.

Leisure and Hospitality shed 2,900 jobs (-1.0%), below the ten-year-average loss of 4,700 jobs. Accommodation and Food Services reported a net job loss of 2,500 jobs, as gains from Accommodation (300 jobs) were offset by losses in Food Services and Drinking Places (-2,800 jobs). Arts, Entertainment and Recreation lost 400 jobs.

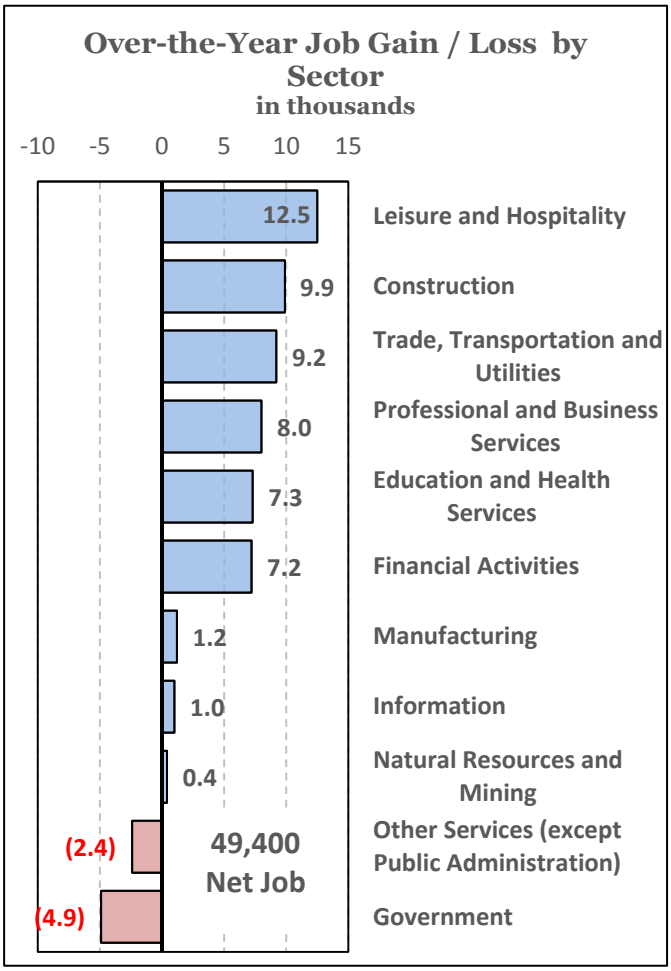
Other Services lost 1,200 jobs (-1.4%), atypical for June, which has a ten-year-average ('03-'12) gain of 500 jobs.

Construction shed 500 jobs (-0.4%), compared to the ten-year-average ('03-'12) gain of 2,300 jobs. This atypical loss follows a month which recorded the highest over-the-month gain (6,400 jobs) on record ('90-'13). Only Heavy Construction reported gains, adding 400 jobs. Losses in Buildings Construction (-400 jobs) and Specialty Trades (-500 jobs) both follow months with record over-the-month gains of 1,500 jobs and 4,800 jobs respectively.

Information lost 300 jobs (-0.8%).

Over the Year by Industry Sector

Arizona gained 49,400 Nonfarm jobs (2.0%) compared to a year ago in June. The Private Sector added 54,300 jobs over the year, growing by 2.7%. This is the 23rd consecutive month of at or above 2.0% growth in the Private Sector. Government shed 4,900 jobs (-1.3%), ending thirteen consecutive months of positive over-the-year job growth. Nine of the eleven major sectors reported gains with two reporting losses (see **Figure 4**).



Leisure and Hospitality (L&H) added 12,500 jobs (4.7%), the largest over-the-year employment gain among the eleven sectors. Accommodation and Food Services added the most jobs (10,000 jobs), with gains recorded in both Food Services and Drinking Places (9,500 jobs) and Accommodation (500 jobs). Arts, Entertainment and Recreation added 2,500 jobs.

Construction reported a gain of 9,900 jobs (8.5%). Construction has recorded over-the-year growth rates at or above 5.0% for eleven consecutive months. Specialty Trades added the majority of jobs (7,500 jobs), while Heavy (1,400 jobs) and Buildings (1,000 jobs) Construction also posted gains.

Trade, Transportation and Utilities (TTU) added 9,200 jobs (1.9%). Within TTU, Wholesale Trade recorded its largest job gain since May 1996 (6,400 jobs) and Retail Trade gained 3,500 jobs. Within Retail Trade, the majority of gains were reported in Motor Vehicles and Parts (2,600 jobs) and Food and Beverage (900 jobs). Utilities (-400 jobs) and Transportation and Warehousing (-300 jobs) both shed jobs.

Professional and Business Services gained 8,000 jobs (2.3%). Administrative and Support and Waste gained 5,200 jobs, primarily from gains within Services to Buildings and Dwellings (3,400 jobs). Professional, Scientific and Technical Services gained 3,300 jobs, while Management of Companies and Enterprises (-500 jobs) shed jobs for the 4th consecutive month.

Educational and Health Services gained 7,300 jobs (2.0%). Losses in Educational Services (-900 jobs) were offset by gains in Health Care (7,300 jobs) and Social Assistance (900 jobs). Gains within Health Care were recorded in Ambulatory Health Care Services (5,700 jobs), Nursing and Residential Care Facilities (1,300 jobs) and Hospitals (300 jobs).

Financial Activities added 7,200 jobs (4.1%). Finance and Insurance added 4,300 jobs, primarily from gains in Insurance Carriers and Related Activities (2,300 jobs), Credit Intermediation and Related Activities (1,600 jobs), and a small gain in Securities and Commodity Contracts (400 jobs). Real Estate and Rental and Leasing added 2,900 jobs, the largest over-the-year gain since May 2006.

Manufacturing gained 1,200 jobs. Jobs were added in both Durable (700 jobs) and Nondurable (500 jobs) Goods. **Information** gained 1,000 jobs, while **Natural Resources and Mining** gained 400 jobs.

Government shed 4,900 jobs (-1.3%), recording its first loss since May 2012. Local Government had a net loss of 6,200 jobs, primarily from losses in Local Education (-6,600 jobs). This is the largest loss in Local Education since July 2011. State Government gained 2,400 jobs, while Federal Government lost 1,100 jobs.

Other Services shed 2,400 jobs (-2.8%). Other Services has not seen over-the-year gains since June 2011.

Summary

After four months below 8.0%, Arizona's seasonally adjusted unemployment rate inched up two-tenths of a percentage point from 7.8% in May to 8.0% in June. The U.S. seasonally adjusted unemployment rate remained unchanged at 7.6%. A year ago, the Arizona seasonally adjusted unemployment rate was 8.4%, and the U.S. rate was 8.2%. Arizona reported a net loss of 43,500 Nonfarm jobs (-1.7%) in June. This loss is comparable to the ten-year average ('03-'12) loss of 41,700 jobs. The majority of Nonfarm job losses were reported within Government, which lost 42,500 jobs (-10.2%). These losses are typical this time of the year due to scaling back in employment for summer within Local (-34,800 jobs) and State (-11,100 jobs) Public Education. The Private Sector lost 1,000 jobs, less than the ten-year-average ('03-'12) loss of 4,000 jobs. Five of the eleven major sectors added jobs, while six reported losses.

Over the month, Trade, Transportation and Utilities reported the largest gain of 3,100 jobs (0.6%). The main driver within TTU was larger-than-average gains in Wholesale Trade (2,800 jobs). Manufacturing reported gains of 1,900 jobs, above the historical average and primarily from gains in Durable Goods (1,700 jobs). Professional and Business Services (1,800 jobs) and Financial Activities (300 jobs) also reported job gains. Besides Government, which recorded the largest job loss, Education and Health

Services also lost 3,400 jobs (0.9%); the majority of these losses were from Educational Services (-4,300 jobs). Other sectors with job losses included Leisure and Hospitality (-2,900 jobs), Other Services (-1,200 jobs), Construction (-500 jobs) and Information (-300 jobs).

Arizona gained 49,400 Nonfarm jobs (2.0%) compared to a year ago in June. The Private Sector added 54,300 jobs over the year, growing by 2.7%. This is the 23rd consecutive month of at or above 2.0% growth in the Private Sector. Government shed 4,900 jobs (-1.3%), ending thirteen consecutive months of positive over-the-year job growth. Nine of the eleven major sectors reported gains with two reporting losses. The largest over-the-year gain occurred in Leisure and Hospitality (12,500 jobs). Construction recorded the second largest gain (9,900 jobs), and has posted growth rates at or above 5.0% for eleven consecutive months. Other major sectors reporting gains include: Trade, Transportation and Utilities (9,200 jobs), Professional and Business Services (8,000 jobs), Education and Health Services (7,300 jobs), Financial Activities (7,200 jobs), Manufacturing (1,200 jobs), Information (1,000 jobs), and Natural Resources and Mining (400 jobs). Government lost 4,900 jobs; the majority of these losses occurring in Local Education (-6,600 jobs). Other Services also reported over-the-year losses (-2,400 jobs).

About This Publication

Arizona's Workforce is published 14 times a year by the State of Arizona Office of Employment and Population Statistics (EPS) — 12 times as the monthly Employment Report and twice a year as a two-year Forecast Report. EPS is the state agency responsible for labor market information and demographic data for the state of Arizona.

Material published in *Arizona's Workforce* is in the public domain and can be reproduced without further permission. Appropriate citations are requested.

— Equal Opportunity Employer/Program —

Under Titles VI and VII of the Civil Rights Act of 1964 (Title VI & VII), and the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the Department prohibits discrimination in admissions, programs, services, activities, or employment based on race, color, religion, sex, national origin, age, and disability. The Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. To request this document in alternative format or for further information about this policy, contact the Department of Economic Security, Division of Developmental Disabilities ADA Coordinator at 602 542-6825 ; TTY/TDD Services: 7-1-1.
